THE INSPIRATION

In a quiet corner of Brentwood, we reopened the doors of the historic Tower Arms bringing a little piece of Japan to Essex, where tradition meets open skies and slow evenings.

The restaurant was born from the belief that incredible food should travel beyond bright lights and big cities, to help create moments of connection, curiosity and comfort wherever it lands.

Every dish and every experience at Saints is an invitation to pause, taste new flavours and feel at home in a place that celebrates both heritage and new beginnings.
